## You Can Help

Every voice matters...  
Every child deserves to be heard.

You can **empower a child** to have courage to speak up and shatter the silence of child abuse. Your donation directly benefits over 3,500 child victims and family members served each year at the award winning Children's Justice Center.

Help the children recover from these crimes:  
92% sexual abuse  
5% serious physical abuse  
3% other crimes  
(Child homicide, abductions, shaken baby syndrome, drug endangerment, witness to domestic violence, and others)

Your donation creates a safe and child friendly place for children to receive help **so that small voices can be heard.**

Individual donors have the **greatest impact** to help the children and families through a difficult time in their lives.

### Parent Quote:

"The CJC wasn't shaming or fearful. My child felt so comfortable and supported. Thank you!"
